**Re: United States v. Kassem Harris
19 Cr 746 (NSR) and VOSR 14 Cr 645 -03**

Dear Judge Roman:

I write requesting that the Court adjourn the VOSR sentencing proceeding currently scheduled for Thursday, July 7, 2022, at 2:30 p.m. for approximately 30-45 days.

I have conferred with AUSA Felton and the Government opposes this request.

Mr. Harris, after finally getting clearance from his insurance provider, had an MRI performed on June 20, 2022, pertaining to his diagnosis of a retrocerebellar arachnoid cyst. A copy of the MRI report is attached hereto.

He was told that he needed to see his doctor to discuss the most appropriate course of treatment. Mr. Harris has a scheduled appointment for July 5, 2022. It is anticipated that his doctor is going to discuss treatment options with him, which may include a surgical procedure.

Since the last court date, Mr. Harris has been fully compliant with all of his conditions of supervised release.

We submit that an adjournment for sentencing is necessary so that Mr. Harris can undergo continued treatment and so that we can also provide the Court with further information prior to imposing sentence.

Accordingly, we request an adjournment of the VOSR sentencing proceeding.

Respectfully submitted,

Daniel S. Parker
